SUMMARY

Passionate and self-motivated **junior web developer** with a focus on modern web technologies. I'm gaining hands-on experience in **HTML, CSS, and Laravel**, and currently expanding my skills into **React and JavaScript**. I enjoy building responsive, functional web applications and am committed to continuous learning and growth in the tech industry.

PROFESSIONAL EXPERIENCE

Junior Web Developer (Self-Initiated Projects) 2023 - Present

Remote | Ongoing

Location

- Built a full-featured ecommerce website using HTML, CSS, and Laravel — includes product listing, shopping cart, and checkout features.
- Currently developing a portfolio website to showcase projects, skills, and personal branding using React and Tailwind CSS.
- Practicing version control with Git & GitHub while improving skills in full-stack development and responsive design.
- Focused on building clean UI, maintaining code quality, and learning through hands-on experience.

IT Technician (Trainee) 2019 - 2022

Cornerstone Computer Services

Cape Coast, Ghana

- Learned and practiced computer hardware repairs, including assembling PCs, diagnosing faults, and replacing components.
- Assisted in software installations, troubleshooting operating system issues, and performing system maintenance.
- Gained strong technical troubleshooting and customer service skills in a hands-on environment.
